at Advent Lutheran Church 16 Telford Avenue West Lawn

The Impact of Addiction: **HEALING** through **FAITH**

Please join us for our fourth annual **TableTalk** event! Our speaker this year is the **Rev. Tom Scornavacchi**, co-founder and pastor of Common Ground Recovery Community with a very timely topic. Learn the signs and symptoms of substance abuse; learn about local agencies that help people on their road to recovery; gather resources; hear about the ministry of Common Ground and the role faith plays in recovery. Come join the conversation as we learn how this issue affects our local community and how we can make a difference for those who are struggling with addiction and supporting families who are directly affected.

Where God's grace embraces our brokenness...

Rostered Ministers will be meeting with Pastor Tom at Advent at **4:00** this day for a more in-depth conversation on the topic about how faith leaders can play an integral part in identifying and aiding people/families who may be directly affected by substance abuse. Our discussion will end with a light meal prior to others joining us for TableTalk at 7:00. Please contact Dawn by October 1st if you plan to attend.
